This appeal arises from reference U/s.30 of the Land Acquisition Act. It is seen that there was prior suit between the same parties relating to the title of the acquired land. That suit has been decided in favour of present respondent up to High Court and Second Appeal No.63/2006 filed by the present appellant against the present respondent was rejected by this Court on 13.11.2006. This is the basis on which the award has been passed U/s.30 holding tht the present respondent is entitled to claim entire compensation of Rs.24,900/- regarding Survey No.70/10 admeasuring 600 sq. mtrs. which is also the subject matter of the reference. Perused the record. The result of the civil litigation is brought on record. In the circumstance, there is no substance in the first appeal and same stands dismissed.
